N. Lenox Pushes Education Campaign On Sewers

Groups of volunteers interested in getting a sewer system for New Lenox are busy these days with a house-to-house explanation of the project.

They also are seeking signed applications for service from the householders. Each application must be accompanied by a \$10 deposit to show the signer means it. At the same time the canvassers

are asking residents to support the general obligation bond issue of \$200,000 at the special election May 17. If there is to be a sewer the bond issue must be approved, it was pointed out.

The first meeting of neighborhood captains for this campaign was held last Sunday afternoon, April 24, at the New Lenox fire station. About half of the captains were present and the remainder

met at the same place on Tuesday night.

Captains at the Sunday meeting were Raymond Webster, Lester Brown, Gilbert Gentz, Robert Faccenelli, Harvey Frick, Frank Goetschel, Robert Joyce, Roy Minger, Glenn Donaldson, Norman Grund, Wayne Chessmore, Lou Tuvrog, Don Anderson, Edward Venckus, Robert Randolph and Charles

Casebeer.

Jane Anderson and the women of her group have typed and duplicated copies of the application for sewer service, which have been mailed out to all homes with an accompanying letter. The mailing was completed last Friday.

For the next three weeks every group that meets within the village will be furnished with all data pertaining to the sewer problem.

People of the Lutheran church will discuss the project Sunday afternoon, May 1. Other churches, service clubs and PTA groups also will receive direct presentation of the subject.

The village board will also answer any further questions that householders may have at its regular meeting next Wednesday night.

Self Discipline System Grows At Lincoln Way

A unique experiment held briefly over a 9 week period at the conclusion of the 1958-1959 school year was so successful that it became part of the school program during the current school year. The experiment, designed to give students an opportunity to exercise self-discipline, has, during the current school year, saved the taxpayers of District #210 in excess of \$20,000 by releasing the teachers from study hall supervision and allowing them to work in the classroom. This program, known as the Student Service Organization (S.S.O.), saves a total of 29 teaching hours a day or an equivalent of four teachers.

The project had been under consideration for some time by Supt. A. Hunter Chapman who first learned of the program at Niles Twp. High School. Being a larger school, Niles employs a full-time person to supervise their program which is, of course, operated on a larger scale than at Lincoln-Way. To successfully institute a program like this at Lincoln-Way would require the right person to organize it and supervise it. The right man in this instance was already a member of the Lincoln-Way staff.

Joseph Kruzich accepted the challenge put to him by Supt. Chapman and the results of the program are not only gratifying but astonishing. This is how it works. Mr. Kruzich is the faculty supervisor. Directly responsible to him are members of the S.S.O. executive board consisting of four students, two boys and two girls. The board, in turn, is responsible for the chairman and secretary of each study hall.

Discipline matters pertaining to the study halls (talking, sleeping, causing some minor disturbance, etc.) are referred by the Study Hall Chairman to the Executive Board of the S.S.O.

To give you some idea of the tremendous job these students are doing, here are a few facts: There are 131 students involved in the S.S.O. organization. There are 29 study halls each day. There are over 800 study hall student hours per day. Over 32,400 study hall student hours per week. Over 291,600 study hall student hours per year.

600 study hall student hours per each 9 weeks. Over 1,749,600 study hall student hours per year. There have been only 36 violations this year.

We believe the keynote of this program is the cooperation of the entire student body in accepting this program because they realize it has provided conditions which have generally improved the study habits of all students. This has been conclusively shown by the all-around improvement in student grades along with a lower percentage of failing grades.

Another point has to do with the improvement of teacher morale by giving teachers more time for student counseling, reports, grading papers, etc. This program also is a real selling point for recruitment of new teachers since practically all secondary teachers feel that they are trained to teach children rather than "babysit" in study halls.

Will Sponsor Buffet Dance

The Parents club of St. Jude's school, New Lenox, have made plans for a buffet-dance Saturday evening, May 7, at the American Legion ballroom, Joliet, for every couple purchasing a ten dollar ticket.

A local orchestra will provide the music for the evening entertainment.

The entire parish is supporting the club in this project. By sponsoring this dance for the school and friends, the club hopes to go "over the top" in its all-out effort to get a new school bus.

Co-chairman of the dance committee are: Phil Stockley, 179 W. Wood street and Norman Beebe, 828 S. Pine street, Harry Clemens, 131 Maple Lane is in charge of publicity.

Tickets are available at the Farm Shop, 1167 W. Jefferson street, Joliet, the parish rectory or from all members of the club.

Mokena Seeks State O.K. On Street Improvement Program

Resolutions were adopted by the Mokena village board at its regular meeting last week to improve the streets.

One dealt with the arterial street maintenance program on which motor fuel tax funds are used and the other with the rebuilding of Front street between Wolf road and Mokena street. The resolutions have been forwarded to the state highway department for approval.

The resolution covering the maintenance program was drawn up by Ralph Yunker, of the Mulford Engineering firm, Chicago Heights, which has been retained by the village to direct street repairs. It is estimated that the maintenance planned will cost approximately \$7,000, from Motor fuel funds.

The second resolution seeks state approval of a project to rebuild Front street from Wolf road to Mokena street at an estimated cost of about \$26,000. It is the board's hope this will mark the beginning of a program for first class streets.

Firemen Mail Tickets For Annual Dance

Tickets are being mailed to families of the Mokena area this week for the 15th annual pinocle party and dance sponsored by the Mokena Volunteer Firemen, on May 14, and 21, at the VFW hall. Fred Clark and Raymond Klier head the ticket sales committee. Payment of tickets will be received prior to the dance or card party at Cooper and Hostert garage or New Lenox Lumber Company.

The pinocle tournament will be held one week earlier than the dance to eliminate an over crowded condition. This year the games will be played in the main hall, therefore, providing space for more players. This event will be held, Saturday, May 14, beginning at 8 p.m. at the VFW hall, Wolf road.

The committee in charge of the games include: Andy Zink, Bob Rust, Bill Baggs, John Sellers and Nick Weiler.

Everyone is cordially invited to attend and support your local fire department who need financial aid to complete their new fire station and purchase needed equipment.

Thru the years Front street has been built up until the center is several feet higher than the sidewalks in sections. It is in the plans to bring the street to grade.

In the meantime Fred Stein-hagen, maintenance man for the village, is mending some holes with asphalt. The past winter was one of the worst experienced in these parts as far as damage to streets and highways is concerned, according to highway engineers. And it was pointed out that it didn't seem to make any difference whether the road was stone, black-top, asphalt or concrete—it came out second best to winter.

Of the 16 new lights—mercury vapor type—to be installed on Mokena streets 11 are now in place. Two have been installed in the vicinity of Carpenter street school; six along Wolf road going north from LaPorte road; one at LaPorte and Anna; one in front of the fire station on Front st. and one on 195th street, just west of Wolf road.

The village board wishes to remind persons installing tile or having it installed preparatory to making connection with the sewer mains that it is necessary to first obtain a permit from the village clerk. He should then notify the inspector so an inspection can be made. The inspector must approve the work before the sewer can be used. Persons making connections without permit or inspection are subject to a fine of \$10 a day until the ordinance is complied with, the board pointed out.

N.L. Businessmen To Hold Meeting

Several months ago a group of businessmen of New Lenox have been talking of organizing a club to discuss and deal with the village problems and growth. Do to this promotion a letter has been sent to all professional and businessmen of the village inviting them to attend a meeting, Monday, May 2 in the Lions Den at 8 p.m.

The following businessmen who have helped to promote the meeting in the interest of the village include: Sheldon Hauck, Lloyd Berlin, David Bruns, Dr. D. Hoffman, Ronald Whitaker, Evan Drotts and Ceward Batson.

Mrs. H. Folkers G. S. Chairman For Trikenia Area

Mrs. Herbert P. Folkers, 137 Kansas st., Frankfort, has been named as the new Girl Scout neighborhood chairman for the Trikenia area which is made up of Frankfort, Mokena and New Lenox.

A meeting in her home is scheduled for Wednesday afternoon, May 4, from 1:15 to 3 o'clock which all committees, organizers, troop leaders, co-leaders, troop committees of Girl Scouts and Brownies and sponsor representatives are requested to attend. Some organization will be necessary, it was said.

Mrs. Folkers has asked troop leaders to call her Monday and Tuesday with a list of those who will attend the meeting Wednesday.

World speed record for railroad engines is held by two French electric locomotives which clocked 206 miles per hour in 1955.

Elizabeth Bobzin Early Frankfort Resident Dies

Mrs. Elizabeth Bobzin, 89, nee Baumann, member of one of the early families of Frankfort died in her home at 829 South Lombard, Oak Park, Sunday, April 24, after a short illness.

Funeral services were held Tuesday, April 26 at a chapel in Oak Park with burial in Pleasant Hill cemetery, Frankfort with Rev. Erich Bizer conducting graveside services.

Survivors include a son Howard, Oak Park, a daughter Mrs. Harold Field, Seattle, Washington and a grandson Merrill Case, Kemmerer, Wyoming. Two brothers, Fred of Evanston and Arthur of Frankfort; two sisters Mrs. Edith Lambrecht, Frankfort and Mrs. Lulu Whitcomb of Marion, Indiana. Mrs. Bobzin was preceded in death by four brothers and two sisters. Her brother Charles Baumann passed away in March.

SHIRLEY SIEVERT

Frankfort Girl Named Decal Queen

A report of the Lincoln Way Band Boosters decals, which were sent thru the mail to the four villages composing the high school enrollment, has totaled \$1,012 to date.

Miss Shirley Sievert, of Frankfort won the title of "Queen of Decals" and will receive her crown and honors this Saturday night, April 30, during the "Swing and Sway at Lincoln Way" dance in the school gymnasium.

Harold Smith, ways and means chairman of the dance, is asking that all tickets and money of tickets sold be turned in by the night of the dance.

At a recent Band Boosters meeting Mrs. Harold Doering, chairman of the band banquet, announced the date of the affair will be Saturday, May 14. Haskel Sexton of the University of Illinois Music School, is to be the speaker at the banquet which will be held in the school cafeteria.

half. The Lions will use their portion for buying eyeglasses, Christmas trees and baskets.

Some 40 members of the Mokena club will take a turn at the various duties resulting from the pancake sale. The club was late in agreeing upon a date for the affair this spring, it having been decided only last week-end that the event would be held this Saturday.

Mokena Band Boosters Invites Public To Dance

The Mokena Band Boosters have engaged Jim Lounsbury, TV star of "Record Hop" for an evenings entertainment at Lincoln-Way high school, Saturday, May 7 from 7:30 to 11:00 p.m.

There will be dancing for young and old provided by a five-piece orchestra with guest stars.

A dancing contest will be held for us a part of the Record Hop session and the winning couple

will appear on the master of ceremonies TV show.

The Band Boosters invite all people of the area to an evening of dancing, pointing out it is not planned for teen-agers alone.

An advance ticket sale has been started and tickets may also be purchased at the door. Proceeds will be used toward additional uniforms for the band.

CD Alert Demonstration Sunday

The first of May will be a combination Loyalty Day and observance of the national Alert Exercise of the Civil Defense unit in Mokena. The public is invited.

The Loyalty day part of the program will be held in the form of an open house at the club rooms of William Martin post, VFW, on Wolf road and also participation by the post in the Civil Defense exercise which also will be conducted in the VFW hall on Sunday afternoon.

The Civil Defense program, according to the Mokena director, Anthony Dina, will begin at 2 o'clock and continue until 4:00. It will conclude with the showing of CD films from 3:30 to 4 o'clock.

The program will begin with demonstrations by various units enrolled in Civil Defense work. The Mokena volunteer fire department will play a part in this and

radio communication units also will perform. Engineers will show how they are prepared to operate in the event of disaster and the men trained to operate the instruments that detect radio active materials will show how they work.

Also on hand will be the police, regular and auxiliary, transportation unit, and the Park Forest fire department will have a rescue truck at the demonstration which was purchased thru Civil Defense.

Will county's CD director, Robert McFadden, will have a communications bus at the Mokena exercise Sunday. This vehicle is equipped with telephones and radio, including direct connections with state and county police.

This demonstration by the Mokena unit is required by the state CD office so Mokena unit may qualify for federal aid on a matching fund basis as well as be entitled

to purchase federal surplus equipment for the year 1960-61.

Dina explained that the Mokena unit had received special permission to conduct their demonstrations on Sunday instead of one of the first three days of the month. On Tuesday, May 3, however, Mokena will join with other communities of the nation in observing the seventh annual alert.

When the siren sounds—sometime between 1 and 1:30 p.m., persons abroad are expected to take cover. Youngsters in schools will leave their rooms and proceed to the halls or other designated areas expected to afford some protection against fallout, explosions or high winds.

During the half-hour regular radio and TV programs are to be replaced by Conelrad. The only places open on radio dials at such times is 640 or 1240.

To observe the birthday of their aunt, Mrs. Lydia Ryan, her three nieces in Joliet, Mrs. Donald Moran, Mrs. Paul Mapes and Miss Marguerite Schweser, entertained her last Thursday afternoon at the annual spring luncheon of the Richard Street Methodist church in Joliet. Mrs. Ryan was organist in this church many years ago. She enjoyed the occasion very much. Her nieces presented her with a white carnation and rose corsage.

Mrs. Ryan's neighbors also remembered her birthday by surprising her with a dessert luncheon in the home of Mrs. Ludwig Thiel last Friday noon. As it also happened to be Mrs. Thiel's birthday, Mrs. Ryan thought the occasion honored her host and was surprised when the birthday song was sung for her. The table was centered with a floral piece of hyacinths and daffodils. Neighbors present were, Mrs. Walter Yunker, Mrs. Merrill Cummons, Mrs. George Rinke, Mrs. Peter Mancke, and Mrs. Emma Cappel. A lovely birthday cake with coffee was served. Mrs. Ryan received many lovely cards and flowers.

Name Dance Winners At Roller Rink

At the last record hop held in the Tinley Park Roller Rink, the following teenagers were chosen as winners in the various dance contests: Judy Lee and Mike Richardson, 17601 - 67th ct., Tom Blount, 6601 Hubbard Lane, and Barbara Baker, of Oak Park ave. The winners are chosen by the skaters.

In addition to the dance contest, a queen of the hop is chosen each week. The winners compete for the big prize.

Queen of the month for April was, Betty Margaret Schutz, 19525-66th ave. In her court, were Cheryl Gardner and Elsie State-man. These girls were chosen from about 400 who attended the hops in April.

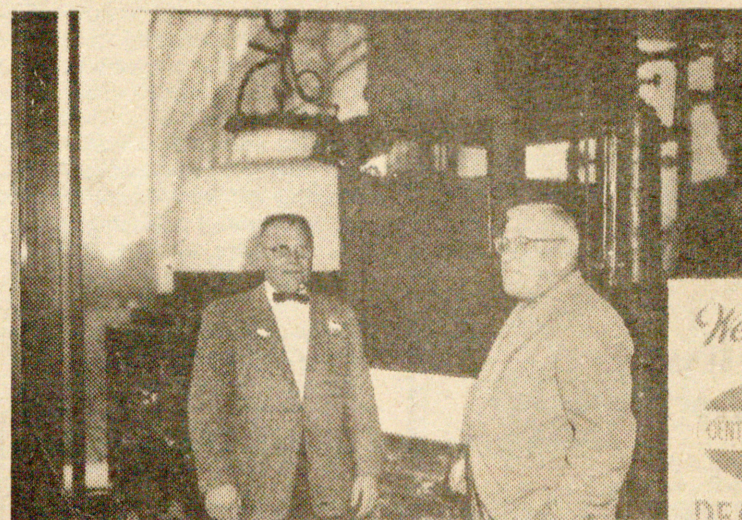

The owner donated the roller rink to the girl scouts for a rummage sale last week.

Girl Recovers From Illness

A supposed case of typhoid fever in Tinley Park raised some alarm when reports were that a young girl had contracted the disease.

The doctor who attended the victim states that the girl, who has now recovered, was suffering from a fever of unknown origin. Tests conducted on the patient did not prove that she had typhoid fever, the doctor said.

London Professor To Speak At Mental Health Banquet

Governor William G. Stratton has announced that Dr. Maxwell Jones of London, England, authority on social rehabilitation of the mentally ill, will be the principal speaker at Illinois' 12th annual Mental Health Banquet. The statewide event will be held at Hotel Conrad Hilton, Chicago, on May 2.

Dr. Jones, currently on leave from his post as director of the social rehabilitation unit, Belmont hospital, Sutton, Surrey, is commonwealth visiting professor in psychiatry at Stanford University and consultant in mental health to the World Health Organization. He received bachelor degrees in medicine and surgery in 1931 and his doctor's degree in medicine in 1937 from Edinburgh University. He was made a member of the Royal College of Physicians and granted a diploma in psychological medicine in 1935.

A leading exponent of the use of the community in rehabilitation of the mentally ill, Dr. Jones has achieved marked success in promoting liaison with the environment outside the hospital. He has developed the concept of a therapeutic community as a method for

group therapy and as a specific technique for patients with severe personality problems.

Under auspices of the Illinois Department of Public Welfare, the banquet is one of the highlights of Mental Health Week, which this year will be observed at local, state and national levels from May 1 through May 7. It is held to honor selected employees of the 13 state mental hospitals and two schools for the mentally retarded for outstanding service in patient care.

The 1960 mental health observance will, as last year, use as its theme, "Operation Friendship." Governor Stratton, serving as chairman of the state-wide activities for the eighth year, asked that all citizens join in developing "Operation Friendship"

Open House

Mental Health Week will be observed in all of the state's mental hospitals starting Sunday with an open house, where the public may visit and tour the hospitals and schools under the supervision of the Department of Public Health.

John L. Cutler, M. D., invites area residents to visit the state's newest hospital for the mentally ill in Tinley Park, located south of the railroad on Harlem ave.

A visit to the hospital will provide an opportunity to talk with hospital personnel, patients and prove to the mentally ill that you do care enough to take a personal interest in their welfare.

BEGIN WORK AT 4-H FAIR GROUNDS on Francis road between Mokena and New Lenox. Footings for the first building were poured last week and at the right one can see the blocks that will be used for walls. In the left foreground is a fireplace that can be used by picnic groups who like to do

their cooking out of doors. The grounds are a gift to the 4-H'ers by Mrs. Frad Francis, whose late husband was one of the original backers of the 4-H movement. The tract is a part of the old Francis farm. (Marvin Smith photo)

Business & Finance

BY MAURICE P. ANGLAND
The realities of political de-
velopment will have a heavy im-
pact on the monetary policy of
the country.

Few expect the budget to show
anything near the surplus, of which
so much was said in the last
session of congress. It now ap-
pears we shall be fortunate if
there is any surplus for reduction
of the debt.

Leadership in both major parties
have plans for further extension
of spending with the Democrats ex-
pressing plans for the largest
spending.

Congress will likely balk at
raising interest ceiling on govern-
ment obligations of over five year
maturity. The treasury offering
recently, at 4 1/4 percent, the
legal ceiling on interest rates, for
long term bonds, drew little re-
sponse. The investor simply will
not buy the long term bonds at
this rate of interest.

This means more and more of
maturing bonds, must be financed
on less than five year basis to
give interest rate that will attract
investors. A serious financial
problem could result. This situa-
tion is with us in a period of
budget balance and with consid-
erable investment funds seeking
desirable investment. Certainly
in the future we can expect some
period of less good business con-
ditions and political pressures for
greater government spending.

On the basis of the above as
well as political attitudes toward
governmental spending in new
fields, some of the leading in-
vestment men expect a continuing
rise in level of costs and lessening
of purchasing power of the
dollar.

History teaches us that such
developments have a way of rest-
ing at given plateau and suddenly
rising again.

Prospects of further inflation
are definitely considered in in-
vestment planning of some of the
leaders in the field.

Most of the leading investment
services are suggesting purchases
of stock in the well know situations
rather than the less well known
and often more speculative. Some
of the large investment funds have
taken considerable interest in
leading electronic stocks in spite
of the fact that many believed
them too high in relation to stated
earnings.

Exponents of this action express
the belief that these stocks will
show considerable growth as their
stated per share earnings are a
charge against current earnings.
It is pointed out that we are
now well into a scientific revolution
in business and electronics likely
to be a necessary leader in its
development.

Electronics, as a field of in-
vestment, does not lend itself to
easy investigation as the field
is very broad and some firms
will not be too successful in the
field.

As in all new and intriguing in-
dustrial developments, there is
likely to be considerable enthus-
iasm for situations that cannot
stand too close inspection.

Poor's Investment Advisory
Survey of April 11, 1960 states
recent recovery in automobile
sales, lifted hopes for Spring busi-
ness activity.

The report goes on to state,
market pauses and irregularity
must be allowed for, but selec-
tive buying in underinvested ac-
counts, remains advisable, along
with maintenance of reasonable
reserves.

Letters To The Editor

FOR DOG ORDINANCE

Dear Sir:

WHAT COULD BE MORE AP-
PROPRIATE THAN DOG ORDIN-
ANCES WITH TEETH IN THEM?
Our thanks to the Frankfort town
board for passing Ordinance No.
1 which will permit the villages
of Frankfort and Mokena to en-
force their dog ordinances. There
will never be a perfect solution
for the dog 'at large' problem
but here are some suggestions
that we are sure would help a
lot.

(1) Enforce the dog license law
that requires every dog to have
a license. Have our Mokena police-
men go to the home of every
dog owner who has not obtained
licenses for his pets. Collect
this money the same as is now
done with delinquent car owners.

This would not only bring in
the money to help defray the cost
of enforcing our ordinances but
would also give the officers a
record of the dogs now roaming
the village if they have owners.
If the dogs are not claimed they
can be humanely destroyed.

(2) The officers working in
the two villages can be also ap-
pointed by the Township board
so that they have legal rights
whether working inside or out-
side the limits of the villages,
to pick up dogs at large.

Residents of this section are
fortunate that the county adjacent
to us is Cook county where county
rulings concerning rabies control
are enforced very strongly. Police

of Tinley Park and Orland Park
have been cooperating in enforce-
ment of the dog laws. Now if
we have a fairly complete record,
of the owned dogs in our areas,
we will have made the first step
in the right direction.

Law abiding dog owners.

Let Home Buyer Beware Of Water Bills, Court Rules

(CNS)—Buyers of homes have a warning in an Illinois appellate court decision to see to it the seller hasn't left any unpaid water bills.

The court ruled a home buyer is responsible for and must pay any water bills left unpaid by the previous owner.

The ruling was on an appeal filed by a Chicago couple, whose water the city threatened to shut off unless they made good on a \$41.20 bill the former owner ran up for water service in two years. The new owners refused to pay.

In such a situation, the court said the city had every right to shut off water to the house. The court explained:

"Becoming the owner of property requires an awareness on the part of the buyer that there may be unpaid water bills. That

problem is normally taken care of at the time of closing the purchase arrangements.

"The city, on the other hand, has very little opportunity to maintain a check on the persons presently in control of the property and would be unable to effectively collect their charges for water services supplied under the contention advanced by appellant.

"Rapid exchange of property would become a convenient method of avoiding water bills, since the remedy of cutting off the water is only effective against the person presently in control of the property.

The plaintiff was Geno Cocanig, 5742 S. Sawyer, who bought his home in 1956 from a savings and loan association, which had foreclosed the interest of the previous owner.

Minnesota Pupils Visit Lincoln-Way

Four students from John Marshall high school at Rochester Minn., chose Lincoln-Way high as one of the schools to visit on a trip to the Chicago area to exchange ideas and work out school problems.

They also visited New Trier high and Oak Lawn high school before coming to Lincoln-Way last week for a three-day stay.

Lincoln-Way in turn will send some students to the Rochester school May 19. Robert Taylor, band director and faculty sponsor for the student council this year, will accompany the students on the trip.

The youngsters from Minnesota were accompanied by Agnes Danzel, math teacher and a member of the guidance department at John Marshall. The students who made the trip were Edward Merritt, who stayed at the home of Daniel Williams, Mokena; Dennis Meadows, who was a guest of Robert Breidert, Frankfort; Nancy Meyers, who was at the home of Cheryl Crabtree, Manhattan; and Carol Williams, a guest of Gayle Har-

Gladys Nelson Is Married In Home Ceremony

Miss Gladys Nelson, formerly of Marley and Delbert Manning, of Matteson, Illinois were united in marriage in the home of her brother Mr. and Mrs. Francis R. Nelson, Marley, Saturday, April 16, at 2 p.m.

Easter lilies decorated the appointed place in the home where Rev. Ray Hamer, pastor of the Marley Baptist church, officiated at the double ring ceremony. Organ

selections were played by Mrs. Edward J. Sproat.

The bride given in marriage by her brother, Francis Nelson, was attired in an embroidered blue silk organza waltz gown with white accessories. She carried a bouquet fashioned of white orchids and blue daisies.

Mrs. Ethel Schwarz of Maywood, the bride's attendant, wore a muted print dress of beige and orange

tones with a sheer brown overskirt. Her accessories were beige and she carried a bouquet of yellow daisies.

Jack Ready, friend of the groom served as best man.

A buffet luncheon and reception was held following the ceremony for those in attendance.

The couple left that evening for a wedding trip thru Michigan.

Key Club To Sponsor Style Show May 1

See the latest summer styles in casual dresses, party dresses, skirt and blouse matchmates, suits, jackets, etc. at the "Carnival of Fashion" style show being presented, Sunday, May 1 at 2:30 p.m. by the Will County 4-H Key Club.

The show will be held at Laraway school, route 66A and Laraway road. Tickets are now on sale from any Key Club member or may be purchased at the door. Proceeds from the show will go toward the Fred Francis 4-H field.

Check Sewage Plant Bills

A representative from the United States Public Health Service was in Mokena last week-end to check on the sewage disposal plant which was built in part with federal funds.

The man, R. J. Schneider, reportedly found everything in order. All expenditures were broken down into various categories and each minutely inspected. The next step will be the appearance of auditors and after their approval the village can expect to get the last part of the grant.

The original grant was for some \$63,000 but the treatment plant and system did not cost as much as was originally estimated when the grant was allowed. The grant is made on a percentage basis and is not applied to the cost of sewers.

Floriculturist To Speak Before Garden Clubs

Mr. Hersh Hubbs of Geneva will be the guest speaker at the Will County Federation of Garden Clubs, Monday, May 2 at 10:45 a.m. at the Methodist church, 10th and Washington streets, Lockport, Ill.

There will be a luncheon at 12:30 followed by a flower show. Tickets are available for the program, luncheon and flower show.

Mr. Hubbs finished Floriculture school at the University of Illinois in 1937 and specializes in floral arrangements with interior decorating, adding the necessary touches with plants and accessories.

Marley
Artist Speaks At Annual
Men And Boys Banquet

BY VIRGINIA SASS
HU 5 - 3133
J. Francis Chase, commercial artist now residing in Homer township, was the speaker at the annual Men and Boys banquet in the Marley church last Thursday, April 21.
A native of Nebraska, Mr. Chase studied at the Art Institute in Chicago under the direction of teachers from Europe. He is a member of the Society of Illustrators of N. Y. city; a member of the central committee of Mid-America Keswick; and chairman of the Board of Trustees of the Fort Wayne Bible College, Ft. Wayne, Ind. He has been a bible teacher

for thirty years. His work appears in leading magazines, Saturday Evening Post, Holiday, Newsweek, Time and Life.
A bountiful ham dinner was served at 7 o'clock by the Ladies of the Missionary Society, with Mrs. Russel Lauffer as chairman. Jack Jordan, president of the Marley Brotherhood presided during the program. A reading was given by Jack Vaughn. A vocal solo, "How Great Thou Art" was rendered by Herb Crabb. The oldest man present was Charles Lauffer and the youngest was Dennis Erdmann, son of Mr. and Mrs. Les Erdmann. John B. Handorf and Harwood Stellwagen were the fathers present who have the most children.

FORT MOKENA-- built of popsicle sticks by members of Pack 40, Mokena Cub Scouts, was shown last Saturday at the Scout Fair held in the Joliet armory under the auspices of Rainbow council. The two young men on duty when this picture was taken are brothers, Gregory, 8 (left) and Kenneth Corniels, 11. (Marvin Smith photo).

The Green Garden Snip 'N' Snack 4-H club will meet Saturday, May 14 at 8:30 a.m. at the town hall for a demonstration breakfast.

Those selected as delegates to go to District 4-H camp, August 8-12 are Darlene Diment, Sharon Gordon, Diane Rab and Jeanne Bormes. Alternates are Patty Morrison and Kay Canlino.

At their recent meeting held Saturday, April 16, the club decided to sponsor a luncheon with Sandra Bettenhausen as general chairman and Sharon Hommerdine as ticket chairman.

Following the meeting, record books were distributed. The junior leaders will meet Saturday April 20, at the home of their leader Mrs. Norman Krapf, to plan the program for the summer. Each girl is to bring her best handicraft project for exhibition at the next meeting. Sharon Hommerdine demonstrated how to make an afghan.

The remainder of the afternoon was spent in games and handicraft.

Mr. and Mrs. Albert Steinberg, Mr. and Mrs. Earl Bettenhausen and Marie Ann, Mr. and Mrs. Chester Steinberg and family of New Lenox, Mrs. Lydia Kohlhaugen and Henry Krohn attended the 50th wed-

ding anniversary of Mr. and Mrs. Louis Barthel which was held at the home of their son Mr. and Mrs. William Barthel in Chicago last Sunday.

ST. JOHN'S UNITED CHURCH OF CHRIST

The Womens Guild will have their monthly meeting Thursday, May 5 at 2 p.m. Mrs. Glenn Nagel, president will preside. The worship program chairmen are Mrs. Milton Werner, Mrs. Donald Wilke and Mrs. Yunker. The topic will be "Obedience". Those in charge of the birthday table are: Mrs. Norbert Behrens, Mrs. Viola Bertza and Mrs. Ray Nieland.

The new visiting committee for the next several months are Mrs. Orville J. Jures and Mrs. Anna Toepper. The annual Mother and daughter banquet will be Wednesday evening, May 11.

The Methodist Youth Fellowship will meet for their regular monthly meeting at the church, Wednesday, May 11 at 6:30 p.m. beginning with a potluck supper.

Benjamin Franklin became a vegetarian to save money. He found that vegetarian broth served the same purpose and cost less than a diet of beef and cider.

Homer Assoc. Of Congregational Churches Meet At Homer

By Elizabeth Anderson

The Central Assn. of Congrega-
tional churches will meet at Homer
church Saturday afternoon, April
30. The Homer church women
will serve supper to the visiting
guests and delegates from this
church.

Several Homer Women are plan-
ning to attend the Fellowship Day
luncheon and program to be spon-
sored by the United Church Wom-
en of the Lockport area on May
6 at the Lockport Methodist
Church.

The women of the Missionary
society will sponsor their annual
Spring Breakfast at the church
Wednesday morning, May 11, at
9:30. Tickets will be available or
may be purchased at the door.
Following the breakfast there will
be a White Cross home products
demonstration by Mrs. Adella
Reiter Fleck of Joliet.

The Wayside Worker's Circle
of King's Daughters will meet at
1 o'clock Thursday afternoon; May
5. Mrs. James Elvig and Mrs.
Robert Burch will be the hostesses.
A plant and food sale will be held.

Members of the North-West
Homer Fire Dept. Auxiliary wish
to thank all who contributed baked
goods and all who worked so faith-
fully to make their recent bake
sale the big success it proved to
be. Especially they want to express
their appreciation to the Ordman
Park and Shop store for the use
of space for the sales event.

The Homer school club which
held its regular monthly meeting
at 33-C school Thursday night,
appointed a committee to take the
school census during May. They
are Mesdames: Raymond Ludwig,
Alvin Welter, Walter Mooney,
Verne Bond, Eugene Anderson,
Russell Lauffer, Otto Moravec,
William Underwood and Russell
Thomason. They will meet with
Mrs. Lahman, school principal,
for instructions before beginning
the census.

The group also planned a roller
skating party to be held Thursday,
May 5, from 6:30 to 9:30 p.m.
at the Lockport Rink.

Step-up Day will be May 6 at
the school.

The nominating committee,
headed by Mrs. Katherine Sheller,
gave its report on candidates to
be voted on at the May meeting.
Other nominations may be made
from the floor. Other members of
the committee are Mrs. Frank
Paul, Mrs. Tony Zolacki, Mrs.
Louis Greenwalt and Mrs. Fannie
Liedtke.

Field trips for the entire school
have been arranged for May 12.
It planned to take the first and
second graders to Brookfield Zoo;
the other grades will go to Chi-
cago Natural History Museum
where a scheduled tour includes
a film on Alaska for the third
and fourth graders, pictures from
the National Parks for the fifth
and sixth, and one from Egypt
for the seventh and eighth grades.
Each will carry a sack lunch
which will be eaten in the mus-
eum dining room.

A special feature of the meet-
ing was a demonstration by Evelyn
Dietrich of the Public Service
Co. with her Magic Suitcase. At
the May meeting a representa-
tive of Fitzgerald's Furniture
store will be present as guest
speaker.

The annual meeting of the Bar-
net Cemetery Assn. will be held
at Homer church Saturday even-
ing, May 7. All interested per-
sons are urged to attend.

parents of a daughter, born April
12 at St. Joseph's hospital.

Mrs. John Hollister spent
several days last week in Silver
Cross hospital for minor surgery.

The Robert Burches attended the
funeral of Mrs. Burch's cousin,
Frederick Shreffler, in Joliet last
Saturday.

At the special election held at
Homer Town Hall last Tuesday,
88 ballots were cast. Bernard
Morris was elected justice of the
peace to fill the unexpired term of
John Dixon who has moved to
Michigan. The vote to renew
the road and bridge tax for another
five years passed.

The Ray Carlson family were
Easter dinner guests in the Kaye
Maccabee home in Lemont.

Mr. and Mrs. Robert Burch ate
Easter Sunday dinner with the
Charles Jungles.

Those from Homer who attended
Easter Sunrise service at Palos
Park, included the, Chester Fili-
povicz family, Mr. and Mrs. James
Elvig, Mrs. Ray Carlson, Gregg
and Lana Carlson, Faye, Betty,
and Dean Anderson and Mrs. Ira
Anderson, Faye Rodgers and Lee

OVER BACK-COUNTRY ROADS AT 45.
WITH A SKY-HIGH LOAD OF TIMBER

**Chevy middleweight
shows the big rigs
how it's done!**

That's a 6303 medium-duty Chev-
rolet powered by a 283-cu.-in. V8.
But there's sure nothing medium-
duty about the load. Mr. J. E.
Blankinship, Arkansas logging
contractor, says both of his
torsion-spring 6303's "move along
at 40 to 50 miles per hour with
55,000 pounds gross weight and
maintain a 5-trip-a-day schedule
with no trouble at all." Figure the
money you save when you've got
a medium-duty truck that can
cover 30,000 back-country miles a
year with a high-tonnage load!

We've never seen anything like the
amount of praise truck owners are
heaping on Chevy's new torsion
spring suspension. Owners like the
fact the truck handles a whole lot
easier, can move faster off the road
without beating the driver to death
and shaking loose all the sheet metal.
They like the idea of extra thousands
of miles before trade-in! . . . Drive
a '60 Chevy just once. It's a whole
new experience.

Chevy middleweight averages 200 miles
of back roads a day dogging timber out
of the woods and delivering it to the
mill at Crossett, Arkansas.

IHC Opens New Center At Tri-State Tollway

International Harvester Company has opened a new International Industrial Tractor and Equipment Center at Lansing, Ill., it has been announced by W. A. Moulder, the company's farm and industrial equipment district sales manager for this area.

The new retail sales facility, located at 2416-176th street in Lansing, at the Kingery Expressway (Tri-State Tollway) and Torrence avenue cloverleaf, will serve the greater South Chicago

industrial area, including Lansing, Chicago Heights, Harvey and Blue Island and Hammond.

Moulder said that the Center would sell and service International industrial-type tractors, including the International T-340 "crawler" tractor, the Drott 4-in-1 loader and scraper, and a wide range of mowers, loaders, backhoes, dozers, forklifts, and other tractor-matching industrial equipment. This equipment will also be available to customers on a rental basis, he added.

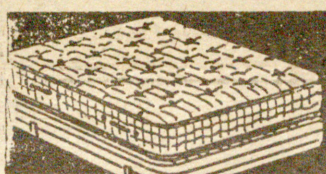

Users of the types of equipment sold and serviced by Harvester's new sales facility include factories industrial warehouses, state and local governments, golf courses, estates, and building contractors, among others, according to Moulder.

The new facility will feature a modern service station, equipped with the latest tooling equipment available, and a large service parts department.

The center will operate under the management of J. J. Quinn who will be assisted by M. J. Phalen. Both are long-service Harvester employees.

Harvester's new Center at Lansing is the first sales and service facility of this type to be established by the company in the Chicago area, according to Moulder. A similar Center has been in operation in the greater Los Angeles area for the past two years.

QUITE AN ARRAY OF TALENT -- answered the call for players in Little League teams at Tinley Park. There is a lot of practice to be done, however, before the season opens so if these young-

sters could have their wishes there wouldn't be many rainy days during the next month. (Marvin Smith photo).

Braves Give Mustangs Trouble

Bremen's winless Braves battled highly regarded Evergreen Park right down to the wire and threatened to beat the Mustangs in the final inning. In fact, a great stop of a smash by John Punis of Bremen prevented the game from at least going into overtime.

But the Mustangs outran the Braves in a pitching duel, 2-1.

Pete Loverich was never better for this season than he was on Monday evening. He yielded four hits and didn't look wild -- as he has in the previous three starts that he has made for the Braves this year.

It could be, that with the warmer weather Loverich will develop into the superstar that he has been labeled by the Bremen partisans.

It was not earned runs that beat Pete on Monday. In fact, it was the two errors in one inning that netted the second run for the Evergreen team. Gary Williams, Bremen shortstop, failed to pick up a hard smash. Then Rich Norbut, catcher, let in the second run as he tried to pick off a man on first. Rich threw the ball into right field. The two netted the winning run for Evergreen Park.

Jim McElrath was a bit tougher than Loverich in the clutch. He was wilder, but thwarted the Braves at the night time. Bremen was limited to three safeties. Loverich, John Punis, and Mike McGerry were the only three men to hit safely for the Braves.

Punis knocked in the only Bremen run in the game and; but, for the brilliant play by the Evergreen third baseman he would have been the hero with at least the tying run knocked in the seventh and final inning.

The Braves appeared much better in this contest and though they have failed to win one -- seemed to have plugged up the leaky defense that was yielding quite a few runs every contest.

Ron Rodger replaced Rich Faulk at second base for the Braves and played errorless ball. Bruce Rodger started at third base. He had been playing part of the games earlier in the year. Bruce has not errored in any of the Bremen games. This may be the plug to the leaky defense that the Braves infield has long needed.

Methodist Men Elect Officers

The Methodist Men's club elected the following officers to serve the 1960-61 term: William Van Pelt, president; Edwin Hug, first vice president; Irwin Ernest, second vice president; Robert Rich, secretary, and John Bellante, treasurer.

Installation will be conducted at the June 21 meeting of the organization, according to Allan Howie, President.

The Men's club annual roast beef dinner will be served from 4 to 8 p.m. on May 14 in the social hall of the church.

Harvey "Y" Hold Annual Gym Night

The Harvey Memorial Y.M.C.A., as part of National Physical Fitness Week, beginning May 1, and ending May 7, which was proclaimed by President Eisenhower, will present a gym demonstration May 7, at 8 p.m. in the large gym of the Harvey "Y".

Boys and girls, ages 8-16 will be demonstrating activities taught at the Y.M.C.A. with physical fitness through gymnastics as its main theme. There will be tumbling, vaulting, high bar, rope climb, trampolining, high jump, rings, board jumping, potatoe races, and many other physical fitness activities. There will also be a few adult groups performing a modern dance routine and a soft shoe act.

A little comedy will also be supplemented with several clown acts under the direction of Butch Newton.

Tickets may be purchased at the Boys' Desk at the "Y" or at the door on May 7.

The South Suburban area is invited to this physical fitness demonstration which will be presented entirely by the members of the Harvey Y.M.C.A. in order to purchase gym apparatus needed by the boys and girls classes.

Tinley Student Wins Scholarship

Thomas Rockrohr, son of Mr. and Mrs. Lester Rockrohr, 17251 Olcott ave., Tinley Park, has been awarded a \$100 annual scholarship by Olivet Nazarene College, Kankakee.

The student plans to enroll for the 1960-61 term at the college. Olivet Nazarene College is one of six liberal arts colleges in the United States, owned and operated by the Church of the Nazarene.

Siberian Huskies Of Tinley Couple Win At Dog Show

Mr. and Mrs. Kenneth Carlson, 6901 W. 167th st., Tinley Park, had the rare distinction of winning with both their male and female Siberian Huskies, at the recent International Kennel club show in Chicago. Both dogs were judged best class dogs of their breed.

The Carlsons are members of the South Gate Kennel club, Chicago Heights. The club is currently holding training classes for purebred dogs on Tuesday evenings at 8 p.m. Registrations are now being accepted for both novice dog obedience training (course covering heeling on and off lead, recalls, sits, stands and downs on command) and for advanced obedience work (retrieving, jumping etc.).

Classes are also available in training dogs for showings at dog shows (posing and gaiting).

C. Of C. Plans 2nd Annual Golf Outing July 27

The Tinley Park Chamber of Commerce is planning its second annual golf outing to be held Wednesday July 27, at the Southmoor Country club.

An enjoyable and successful affair last year, the committee of Stanley Mageira and Rudy Petan are working to make it an even better event this year.

Tickets for the outing will soon be available from members of the Chamber.

Tickets For Old-Timers Banquet On Sale

Tickets for the old-timers bowling banquet being held under the sponsorship of the Tinley Park Men's Bowling League, are now being sold. Any oldtimers who have not as yet been contacted, may obtain tickets by calling Rudy Petan,

Browsing Through The Cold Stove League

BY DEAN DALLAS, SEMMLER PRESS SPORTS EDITOR

Maybe, Oak Lawn is the new king in the SWS baseball circles. The Spartans have been showing the way to the rest of the league. They took the measure of the pre-season favorite, Evergreen Park, by just one run, but that is enough to win -- win they did.

Rich had to take a couple of beatings last week -- these knocked the Rockets' hopes. They lost to Evergreen and Reavis.

Oak Lawn has been getting a superb job of pitching. That is supposedly enough to win the ball game.

Memorial Day is just about 30 days away. Tony Bettenhausen will soon be stepping in a race car. Tony is the old veteran of the 500.

The Lindsay Hopkins Special, the car that Jim Rathman drive to second place in last year's Indy race, is the car that Tony will drive this year. Actually, in the tune up race Tony was driving it near the 150 mph mark. If this is the case at Indianapolis -- Bettenhausen could bring home to Tinley Park the honors for the first time.

Trenton, New Jersey, opener for the Big Car circuit, just might be a preview of the 500. Tony finished a close second to Roger Ward, last year's Indianapolis victor.

Probably, it will be Tony and Roger dueling at the Speedway this end of May.

Records should fall again this year. Time gets closer and closer for Tony. But this just could be his year. If it isn't Tony's year -- then it is probable that Roger Ward will drive into the winner's circle for the second time in succession.

Tony has not driven a much faster car than the Lindsay Hopkins Simonize Special. This is a proven speed car. Jim Rathman drove it to many victories and proved that you could drive if for speed and more speed.

Bettenhausen will have the speed and the car should have the endurance. Maybe, this is Bettenhausen's year.

Invite Kids To See Films

Children of the community are invited to attend movies being shown at 2 p.m. Sunday, May 1, at St. George school hall. This service is sponsored by the Holy Name society of the parish.

William German, member of the society, has selected two full length pictures for this showing. "Rusty Saves a Life," and "Hurricane on Pilgrim Hill" are of interest to grade school age.

Baseball Group Elects New Officers

New officers were elected at the Mokena Baseball Association meeting held last Wednesday evening in the Carpenter street school. The following members elected were: Al Sorenson, president, Will Tuttle, first vice-president, Dr. Joseph Petnuch, second vice-president, Mrs. John Sellers, treasurer, and Mrs. Robert Hummford, secretary. Other members include James Tilsy, Mike Derrig, Gordon Bruce, Robert Lang and Stanley Resutko.

Saturday, April 30 is the last day of registration. Mrs. Robert Hummford will be at the Carpenter street school from 9:30 to 11:30 a.m. for any boy who still wishes to register. The application fee is \$3.50.

The baseball committee will meet in the home of Al Sorenson this Friday evening to complete plans for the season. They hope to start practicing during the first week of June; the different leagues will practice twice a week starting at 6:30 p.m. The Small Fry baseline will be 60 feet and the Babe Ruth is regulation size of 90 feet. The Babe Ruth league is composed of boys of 13 to 15 years old and there is a limit of 15 boys to play on the league.

The committee voted to stay in the Tri-county baseball association.

Open Midget Racing Season On May 7

Midget auto racing returns to Joliet Memorial Stadium a week from Saturday (May 7) for its ninth straight season, continuing a record no other midget auto track in the nation can equal. Last year Joliet's quarter-mile, clay oval became the only midget auto racing track in the nation to complete eight consecutive seasons of uninterrupted activity.

Twenty Saturday night dates, plus a Memorial Day 50 lap feature, are scheduled for 1960. There will be approximately a half dozen 50 lap feature attractions.

Several new faces are expected in the lineup this season, among them Ray Elliott of Lockport, UARA champion from 1947 through 1951, who plans a comeback in a car powered by a Swedish built Volvo engine.
